Major Changes in the 2023-2024 Competitive Event Guidelines

The following is a listing of the major changes in the 2023-2024 Competitive Events Guides. It is in no way inclusive and participants and advisers should continue to **read the event rules carefully** to ensure eligibility and successful event completion and presentation.

Special Note: This year, the guidelines underwent a comprehensive audit conducted by CEAT and the National FCCLA Staff in order to align the specifications with the rubrics. Nearly all the wording in the rubrics and specifications has been revised for improved grammar, clarification, and other enhancements.

The *Competitive Events Guide* is divided into five different documents. The documents are available to members and advisers through the FCCLA Adviser and Student Portals under the “Resources” tab

- FCCLA Knowledge Matters Virtual Business Challenge Simulation Guidelines
- FCCLA/LifeSmarts Knowledge Bowl Guidelines
- Skill Demonstration Events Guidelines
- Online Challenge Testing (previously with Skill Demonstration Events)
- STAR Events Guidelines

These resources, provided for members and developed with funds from membership dues, are available to advisers and members through the FCCLA Adviser and Student Portals. The Competitive Events Guides will only be available to affiliated chapters and members beginning November 1.
